TUMKUR DISTRICT.

Notification No. M. B. 95 of 32-33, dated 5th May 1933.

It is hereby notified that applications are invited for the grant of permits in respect of motor vehicles intended to ply for hire in Tumkur District during the year 1933-34. The roads along which motor vehicles would be allowed to ply for hire and the number of daily services fixed on each road are shown in the schedule annexed hereto. Applications should reach this office on or before the 10th June 1933. Applications received after the said date will not be considered.

2. Every application should be accompanied with a treasury receipt for payment of the fee prescribed in rule 27-1 B of the Motor Vehicles Rules for permits in form 'g' or the instructions issued in Government Order No. P. 5260-70—Legis. 32-29-14, dated 1st April 1930 regarding the levy of the said fees should be adhered to.

3. Preference will be given to applicants for renewal over those for the grant of fresh permits.

4. The buses should be produced for inspection with the drivers and conductors on the 5th, 6th and 7th of June 1933 between 8 and 10 A.M. in the District Office compound at Tumkur.

5. Permits of those buses not produced for the joint inspection will not be renewed. This applies only to buses in respect of which 'g' permits have been issued in this District. As regards buses in respect of which 'g' permits have been issued in other Districts, proprietors should produce certificates obtained in the respective Districts to the effect that their buses have been examined and passed. Proprietors who obtain 'g' permits in other Districts should produce them for countersignature in this office on or before the 30th June 1933.

6. Brake certificates obtained at the time of inspection should invariably be produced before issue of permits for the ensuing year.

7. Proprietors should deposit road cess before the 20th June 1933 and produce credit certificates in the office for issue of permits. Vehicles will not be allowed to ply on their respective lines without necessary permits from the 1st July 1933.

8 Separate applications should be presented for each line. All applications either for renewals or for grant of fresh permits should be presented before the prescribed time.
